

Windom Spanish Dual Immersion greatly appreciates all of our parent and community volunteers. If you are interested in volunteering please contact Jenedee Canino, at 612-668-3370 or jenedee.canino@mpls.k12.mn.us

Minneapolis Public Schools requires all parent and community members to have volunteer information on file at Windom Spanish Dual Immersion School before volunteering of any kind can begin.

Classroom Volunteers

Teachers welcome having parents or community members come to assist with organizing the classroom, making copies or working with individual or small groups of students. If you are interested in being a classroom volunteer please let us know.

Field Trip Chaperones

During the year our students go on special field trips and each time they go we are in need of parents or guardians to accompany the class on their trip. A chaperone will assist the teacher in making sure our students are safe and happy during their outing. They also receive the added benefit of enjoying the activity of performance the class is attending.

In special cases and for field trips you will to ask to provide additional volunteer information including a criminal background check.
